late. last spring! Cluck old hen! Cluck and squall! Ain't laid an egg since late. last fall!

My old hen, she won't do
She lays eggs and taters too.
Sometimes nine, sometimes ten
That's enough eggs for the railroad men.

The old hen she's raised on a farm
Now she's in the new ground diggin' up corn.
The first time she cackled, she cackled a lot
Next time she cackled, cackled in the pot.

I had a little hen, she'd a wooden leg
The best darn hen that ever laid an egg
Laid more eggs than any hen around the barn
Another drink wouldn't do me any harm
