

Lester Leaps In - Lester Young

(Words: Jilly Jarman)

I'm gonna **walk** 4 beats to the bar for my **bassline**
I'm gonna **drum** ten to ten on my ride and **snare**
I'm gonna **comp** on the off-beats on my **piano**
Im gonna **blow** through the changes on my
saxophone

Then, _ when I get to the **middle 8**
I'm _ gonna improvise right **through** the break

Im gonna **play** this song right up **tempo**
Im going **fast**, can't stop, gotta **syncopate**.
