

TRANSITION CHOIR WORDS

Oh Mary Don't You Weep

Oh Mary don't you weep don't you mourn
Oh Mary don't you weep don't you mourn
Pharoah's army got drowned
Oh Mary don't you weep

If I could I surely would
Stand on the ground where Moses stood

One of these days all bright and clear
I'm gonna hitch on my wings and try the air

Shalom Chaverim

Shalom chaverim, shalom chaverim,
Shalom, shalom.
May Peace be with you
In all that you do,
Shalom Shalom

Lester Leaps in – Lester Young

Ba dum bah!

Eyes on the Prize – Dianne Reeves

There's a voice from the future and it's calling your name,
Forging a road for you and staking your claim
Keep your eyes on the prize.... and your back to the wind

In your heart beats the rhythm and the songs of the past,
Holding all of the answers to whatever you ask
Keep your eyes on the prize, let your heart be your guide.....
And your back to the wind

When I think of you I see sunshine
And the words that you speak are uplifting and strong
In your eyes lie the hopes of tomorrow
You're a winner,..... winner
You're a winner,..... winner

Go ahead little brother there's a place just for you
Go ahead little sister but whatever you do
Keep your eyes on the prize.... and your back to the wind

You're the new generation with the world in your hands
But life won't get better without taking a stand
Keep your eyes on the prize, let your heart be your guide.....
And your back to the wind.

Ah...
(Keep your eyes....on the prize....
And your back....to the wind)

Aint Gonna Let Nobody

Aint gonna let nobody turn me around,
Turn me around, turn me around
Ain't gonna let nobody turn me around,
Keep on walking, keep on talking,
Walking to the freedom land

Backing voices:

Ain't gonna, gonna let no-, nobody, gonna turn me X3

And keep on walking to, and keep on talking to,
and keep on walking to the freedom land

Bass line:

Ain't gonna let no-, nobody turn me, X3
And keep on walking, and keep on talking,
And keep on walking, to the freedom land

Wait 'Til Tomorrow – Jilly Jarman

You can wait, wait 'til tomorrow,
You can wait – and give yourself more time
You can wait – wait 'til tomorrow
But the future will be with you, sooner than you think

You can daydream, daydream your life away X3
Or you can GET UP ON YOUR FEET
And live life to the full – live it today

You can wait, wait 'til tomorrow,
You can wait – and give yourself more time
You can wait – wait 'til tomorrow
But the future will be with you, sooner than you think

But the future will be with you, sooner than you think
OTHER VOICE: with you.....sooner than you think
