

# We're Helping Rufus

Sarah Nicholson

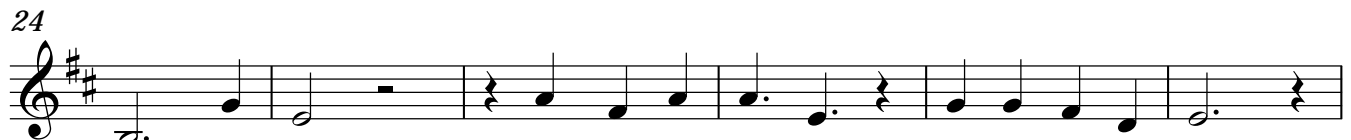

I was so shy. I was so scared when I came in - to your

room. You taught me to smile; you showed me you cared. And you showed me how to bloom.

You gave me con-fi-dence to sing this song. May-be you'll help me and

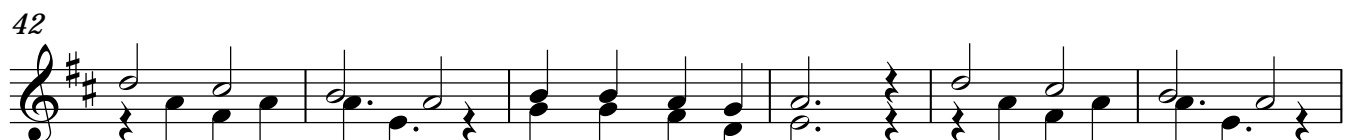

sing a - long. We're help-ing Ru - fus hold his head up high.

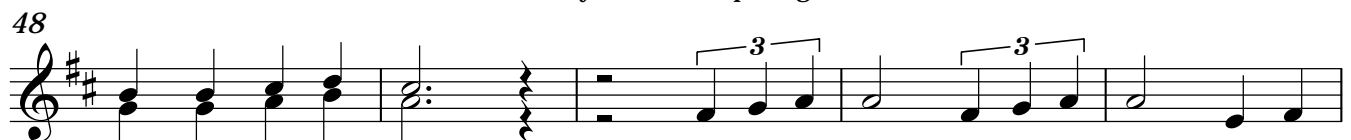

We're help-ing Ru - fus; now he's not so shy! Ru - fus, Ru - fus.

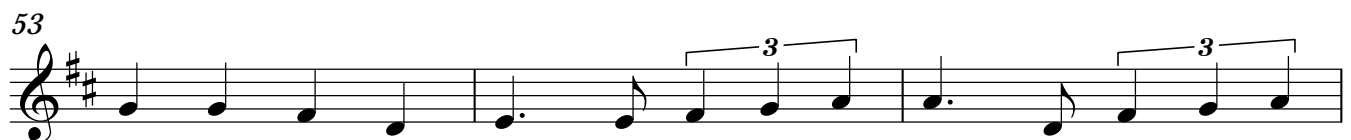

Hold your head up high. Ru - fus, Ru - fus. Now you're not too shy.

Ru - fus, Ru - fus. Hold your head up high. Ru - fus, Ru - fus.

Now you're not too shy. He was so shy. He was so scared when he

came in - to our room. We taught him to smile; we showed him we

cared. And we showed him how to bloom.
