

Fun warm-up song to the tune of the Conga

Words and game idea by Karen Lester

Won't you come and join us  
As we sing our chorus  
La la la la  
La la la la

If you're gonna bring it  
Make sure that you sing it  
La la la la  
La la la la

We're up we're down  
We're shaking it around  
We're in we're out  
We're shaking it about

We play the sax  
The trumpet and the fiddle  
And now we're choosing someone else  
To get up in the middle
