

BRING IN THE BUILDERS!
SCHOOL

DAVE CAMLIN, BASSENTHWAITE

Chorus

Bring in the builders! 1! 2! 3!
Bring in the builders! (Have a cup of tea!)
If you need to build almost anything
You need to bring in the builders!

Here we come with our hammers and nails
We can put up anything
Just give a call to you-know-who
This is what we do

Here we come with our high-powered drills
We can drill through anything
Just give a call to you-know-who
This is what we do

Here we come with our tarmac roller
We can flatten anything
Just give a call to you-know-who
This is what we do

Here we come with our buckets of slop
We can plaster anything
Just give a call to you-know-who
This is what we do
