19 D C B⁷

LA LA! LA LA LA! LA LA LA LA! Ritmo de l'a emocion!

DF# DF# CE CE BD# BD#

D D C C B B

The piano accompaniment is written out with very simple notes and chords and with everything clearly on a beat. However, some people may find it easier to follow the rhythm pattern of the tune, or put in their own rhythm ideas, and should do so, just using the accompaniment as a guide to when the chords change. Either way will work well.
